GLOSSARY AND CONDITIONS

OTC One Time Cost

MRC Monthly Recurring Cost

Internal Wiring Local area network operated by customer/landlord.

On-net: Based on GlobalConnect own fiber infrastructure or leased copper from 3. party

Near-net: GlobalConnect own fiber infrastructure. Prices derived from Fiberweb calculations of digging cost

Off-net: Based on 3. party fiber infrastructure or leased Wholsale access on copper from 3. party

All prices quoted are NOK exclusive of VAT and presupposes a minimum lock-in period of 12 months.

- 1) There must be registered a Servicetime- and a Quality level product per line
- 2) Internal wiring cost exeeding kr. 20.000,-, is charged with kr. 100 per meter but at least kr. 2.500,-
- 3) Minimum invoice kr. 4000,-
- 4) Only available with Business Class Ethernet
- 5) Full access fee apply if customer does not have telephone connection.
- 6) If the service is terminated prior to the expiration of lock-in period, Broadnet reserves the right to claim the contract value for the remaining period compensated
- 7) Limited availability. Express apply for deliveries in Norway. Express is per request and can not always be offered.
